Overview

The University of Jember which is known as Universitas Jember in bahasa and abbreviated as UNEJ is the biggest state university in eastern part of East Java. It was established in 1964 and is located at Jember city, East Java, Indonesia.

Although the city has a warm tropical climate but Campus UNEJ is well known for its green area with environmental friendly surrounding. Education at UNEJ sets strong emphasis on encouraging and stimulating student to be creative and independent thinkers. To promote this attitude, the academic curriculum focuses on greater extends on analysis and problem solving in individual and project groups, as well as on writing report and paper. As a public university, UNEJ seeks to achieve the highest levels of distinction in the discovery and transmission of knowledge and understanding.

Vision

Becoming an excellent university in developing environmentally sound-business oriented-and industrial agriculture based- science, technology, and arts.
